

Lamington National Classic  
Dr. Andrew Semple - Race Director  
P.O. Box 192  
EVERTON PARK QLD. 4053

1 October, 1986.

The Lamington National Classic for 1986 was run on Saturday and Sunday 13 and 14 September. There were the usual group of late entries at Canungra, and a few at Binna Burra. Due to the need to book O'Reilly's National Park camp sites early, and the need to know exact numbers for security reasons, there may have to be a definite cut-off time for official entrants.

Problems arise then - can we actually stop unofficial entrants from running, and if they do run, can we morally ignore them if they become lost or injured?

Eighty official runners and two non-official runners left Binna Burra and eighty-one finished within three hours. One runner was lost and spent the night at Tooloona, before being found by the Ranger about midnight. A lot of people spent quite a few hours each looking for him, and we are investigating the problem of making it hard for people to take the wrong turning in future.

Tony Smith won the Bernard O'Reilly Trophy in 1.27.30, about 6 minutes slower than the record, easily defeating Greg Sockhill and Don Wallace.

The Ladies' event resulted in a dead heat between Carole Connolly, and Rina Bradshaw in 1.52.53, with Janet McAfee third.

These presentations were made at the Dinner, which was followed by an enjoyable Bush Dance at O'Reilly's Guest House.

On Sunday, slower runners left early, and the race back was a duel between the same three as on the Saturday, with Tony Smith winning the Arthur Groom Trophy in 1.25.25 from Don Wallace and Greg Sockhill.

Carole Connolly easily won the Ladies' trophy from Rina Bradshaw and Felicity Crosato.

The Teams event was won by Nundah (Tony Smith, Greg Sockhill and Brad Bartsch), from Ashgrove Rangers (Don Wallace, Graham Barralet and Calvin Isedale).

The Men's combined event was won by Tony Smith and the Ladies' by Carole Connolly.
