

THE LAMINGTON NATIONAL CLASSIC

The 1987 Lamington National Classic of 22.4 kms each way, on 12/13 September was its usual success, but with a smaller number of runners, due no doubt to our closing entries three weeks before the event, and the restriction of camping numbers in the camping ground. Fifty-two runners ran from Binna Burra to O'Reilly's on the Saturday, and although a few were temporarily off course, only one failed to arrive, and he returned to Binna Burra via the Coomera Circuit. Don Wallace from Ashgrove Rangers won the Bernard O'Reilly Trophy in 1.25.20 from the old stalwart, Graham Barralet, in 1.28.09, and Greg Sockhill in 1.29.28. The Ladies' Bernard O'Reilly trophy was won by Marialuisa Giovannini in 1.54.47 from Alison Whitehead and Glenys Wright.

Due to the enlargement of the dining-room at O'Reilly's and our smaller numbers, the dinner and presentation were held earlier than previously, and this was much appreciated by tired runners and their families.

The run back on Sunday was held earlier as slower runners left at 9 a.m. and 9.30 a.m., with the main competition runners at 10.00 a.m.

There were forty-two runners, and the winner of the Arthur Groom Trophy was Don Wallace in 1.33.36, slower than Saturday due to a false turn shortly after the start. He was followed by Greg Sockhill and David Libter.

Don won the combined event in 2.58.56 from Greg Sockhill and David Libter.

Marialuisa won the Ladies' return run, giving her the overall win in 3.43.41.

The team trophy went to a New South Wales combination of David Libter, Roger and Robert Hardy, representing "Billy's Bushies", who beat the Ashgrove Rangers team of Don Wallace, Calvin Isdale and John Purcell, weakened by poor navigation on the first day, and Graham Barralet's withdrawal on the second.

A good time was had by all, and I hope the National Parks and Wildlife Service were content with our greater care in attending to their requirements. Hopefully permission will continue to be granted to hold the event; next year you will have a new Race Director - Kevin McGlenn. Good Luck, Kevin!
