

LAMINGTON NATIONAL CLASSIC - 1988

=====

The LAMINGTON NATIONAL CLASSIC for 1988 was held on 10/11 September, and apart from being it's usual success, was the most difficult of all the runs held to date. Unseasonal rains and upgrading of the track by the National Parks and Wildlife Services made the track conditions very slippery, and the muddy areas were the "downfall" of many runners.

The largest field ever of 72 runners left Binna Burra on Saturday via THE BORDER TRACK, which had been specially marked at each track junction with a "flour trail" by Andy Stephens earlier in the day. All runners arrived at O'Reilly's without misshap.

Don Wallace from Ashgrove Rangers won the Bernard O'Reilly Trophy in 1:26:28 from Mick Honer in 1:27:58, with Bruce Jones third in 1:29:40. The Ladies Bernard O'Reilly Trophy was won by Rina Bradshaw in 1:55:25 from Peta Forrester in 2:12:47, with Diane Merrick third in 2:12:59.

A capacity crowd of 103 attended the dinner at O'Reilly's that evening at which the Bernard O'Reilly Trophy's were presented by Mr Peter O'Reilly. Many stayed for the bush dance following, and others just rested their weary bones.

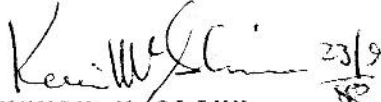

The Sunday return to Binna Burra commenced at 9:00, the second wave at 9:30, and the "gun runners" leaving at 10:00. 41 runners in all made and finished the grueling run back. Don Wallace won the Arthur Groom Trophy in 1:27:43 from Mick Honer in 1:29:04, with Greg Sockhill third in 1:33:00. Tony Groom made the Arthur Groom Trophy presentation.

The luncheon at Binna Burra was attended by 66 people, with the ~~Activities Manager - Barry Davies~~ presenting the combined trophy's. Don Wallace won in 2:54:11, from Mick Honer second in 2:57:02, and veteran Graham Barralet third in 3:05:37. The Ladies combined run was won by Rina Bradshaw in 3:54:47, with Glenys Wright second in 4:38:23. Don Wallace's time this year was 4 min 35 sec faster than his time last year, despite this years difficult conditions. A great run Don!!

The Team Trophy was contested by 10 teams with only 7 finishing. The winning team was from Ashgrove Rangers - G. Barralet, D. Wallace, C. Isdale, A. Gray., with Toowong Athletic second, and Brisbane Bush Runners third. The N.S.W. team from Sydney came fifth.

If numbers attending the two presentation dinners are an indication of the social success of this year's Classic, it was a great weekend. Track marking this year proved most successful with nobody straying from the trail. National Parks and Wildlife Services were pleased with the conduct of the event, and minor problems with camp sites should be overcome next year with the introduction of site booking fees. Entries may have to be in earlier next year, including site fee of \$7/night.

Finally, thanks to all who helped me this year:- Andy and Doreen Semple as time-keepers, my wife Jude as telephone answering service, Andy and Cath Stephens who marked the trail, Binna Burra Lodge and O'Reilly's guest house for their sponsorship, and the National Parks and Wildlife Services (Bob Davern and Bill Flenady) for their assistance with organising the event. See you all next year!!
